The Honorable John Taber  
House of Representatives  
Washington 25, D. C.

Dear John:

Since my letter to you of 14 February concerning [redacted] I have had the opportunity to meet with him personally. I saw [redacted] on 28 April and had a most pleasant discussion with him. Subsequently, I have had our requirements reviewed again to see if there were any possibilities of utilizing his services in some appropriate capacity. As you may know, we have followed a policy here of bringing our people up through the ranks and are now well staffed with experienced, competent personnel at the senior levels. Hence, as I pointed out in my last letter, openings at a salary level to attract a man of [redacted] caliber are most infrequent and we still have not been able to locate anything which would be suitable.

Your interest in the Agency, as evidenced by bringing [redacted] to my attention, is deeply appreciated. In the event something should develop, an appropriate file is being maintained of his interests and desires.

Sincerely,

SIGNED
